

KidsMAT is a unique theatre experience for younger children. This one week camp offers children 5-15 the chance to learn essential teamwork and leadership skills by allowing them the chance to create their own story, set and costumes. The Montana Actors' Theatre is offering several camps this summer in various locations. Each day is 9am-3pm with a performance following on Thursday at 7pm. The registration fee for each camp is **\$50.00 for the first child and \$30 for each additional child in the family**. Children must bring a sack lunch each day but other snacks will be provided.

Please make out any checks to **Montana Actors' Theatre**.

Each child also will receive a t-shirt and water bottle for their participation in the camp.
